## 2026 SPACE SELECTION SCHEDULE

MAY 5-7, 2026 MANDALAY BAY CONVENTION CENTER LAS VEGAS, NEVADA

Your Appointment time for 2026 Space Selection is enclosed. Please come to the Sales Office located on the show floor next to booth #5301 and contract your space.

## PRIORITY POINT SYSTEM

The Hospitality Design Exposition and Conference is once again providing the opportunity for you to select your space for the 2026 event during our space draw process. Each exhibiting company will have the opportunity to select their own booth space, in accordance with the amount of priority points gathered, during their assigned appointment time. As the show organizer, our goal is to support the exhibitors who have made HD Expo the premiere event in the industry. The priority point system is in place to create a fair and equitable process for assigning space for the show. The purpose is to reward companies for their investment and participation in the Hospitality Design Group.

All companies who participate in space draw will be reserving space at a discounted rate. If you confirm your booth at the Expo for 2026 then you are eligible for our renewal reward rate that will be \$59.75 per square foot. If you are unable to make your appointment time, please let us know and we will select a space for you based on your needs. Please note that if you choose to not select a space during space draw, the rate will increase to \$62.50 per square foot on June 7th, 2025.

A deposit of 10% will be due at the time of selection up to a maximum of \$3,000. So please be prepared and bring a credit card or ACH payment.

Points are accumulated based on an exhibitor's level of participation with the Hospitality Design Group and history with the show. Point totals are calculated and tracked based on the following:

- 1. Each 10' x 10' booth unit from the immediate past years HD Expo event is worth one (1) point.
- 2. One (1) point for the equivalent of a  $10 \times 10$  booth space cost spent on sponsorships and advertising with HD magazine and HD Expo each calendar year.
- 3. One (1) point per company for completing the post show survey.
- 4. Each company receives one (1) point for booking within the official hotel vendor, EventSphere, hotel block.
- 5. Current exhibitors are our top priority, and the only companies eligible to participate in the priority space selection process. All current exhibitors will receive priority over new or past exhibitors.
- 6. Points are considered an asset of the exhibiting company. In the case of a merger or purchase, the purchasing company must provide written proof of their purchase of the assets of that company. Once verified by Emerald Expositions, the current space points will be combined.
- 7. Companies may not combine point totals to improve their standing unless they are separate divisions/units of the same parent company. This situation by definition would call for one company contact and one financial billing entity.
- 8. Each contracted space will be contracted, invoiced, and paid by one company. That company will receive all of the priority point benefits.
- 9. Co-exhibitors do not get an appointment time, and all points earned for the booth goes to the Primary company that contracted the booth space.

WE WANT TO THANK YOU FOR YOUR PARTICIPATION AT HD EXPO!
